National Lamp of Knowledge Partner Program

INVESTING IN LEADERS, ADVANCING KNOWLEDGE, STRENGTHENING THE FUTURE

The Command and General Staff College Foundation invites corporations, businesses, and philanthropic organizations across the nation to join us in supporting the education and development of tomorrow's military leaders.

Through the National Lamp of Knowledge Partner Program, organizations make an impactful investment in academic excellence, research and innovation, military family education, and national security dialogue—while helping the Foundation advance its mission and expand opportunities beyond the classroom.
